Health information programs provide general health information and are not substitutes for diagnosis or treatment by a physician or other health care professional. Discount offers are available to people who have health benefits plans that are issued by, administered by, or serviced by Aetna or our affiliates.

Discount offers provide access to discounted services and are not part of an insured plan or policy. Discount offers are rate-access offers and may be in addition to any plan benefits. Check any insurance benefits you have before using these discount offers, as those benefits may result in lower costs to you than using these discounts. Discount offers are not guaranteed and may be discontinued at any time. Aetna makes no payment to the discount vendor. The member is responsible for the full cost of the discounted services.
