Responsible Investing: Unlocking investment potential while making an enduring impact on our world

At TIAA responsible investing is more than a philosophy, it’s an essential part of our history and our future. We believe that three principles—ESG integration, engagement and impact—are critical to unlocking investment potential and providing lasting benefits for our clients and communities. Join us to learn more about this evolving investment discipline, what’s driving investor demand and the potential benefits of incorporating Environmental, Social and Governance (ESG) investments into your retirement portfolio including those available through the self-directed brokerage window in Penn’s retirement plans.

Register today for this live webinar on Wednesday, November 3, 2021, from 1 p.m. to 2 p.m. (ET).

Featured speakers:

**Drew Krepelka**

Senior Director, Senior Investment Strategist  
TIAA

Drew is a Senior Investment Strategist on the TIAA Institutional Investment Strategy team that supports TIAA’s largest plan sponsor clients, providing investment consulting and analysis. Prior to joining TIAA in 2015, Drew was a Vice President at Aristotle Capital Management and before that served in a variety of sales and relationship management roles over a 13 year tenure at Capital Group.

Drew graduated with a B.A. in Economics from Wheaton College (Massachusetts), including a year at the London School of Economics. He is a Chartered Retirement Plan SpecialistSM and holds FINRA Series 7 and 63 registrations while maintaining his Life Insurance license from the State of Massachusetts.
The brokerage account option is available to participants who maintain both a legitimate U.S. residential and U.S. mailing address. Please note: You’ll need to open separate brokerage accounts for each plan, i.e., Basic, Matching, Supplemental, etc., if you would like to utilize the self-directed brokerage option in more than one of the Penn Retirement Savings Plans.
